

# How to Sign Up

After clicking Sign Up, you will be brought to <https://learn.proofreadingacademy.com>, where you will be presented with the following screen:

The screenshot shows the 'Signup' form for Proofreading Academy. It includes the following fields and options:

- First name:** Input field with placeholder 'e.g. John' and a character count of 50.
- Last name:** Input field with placeholder 'e.g. Doe'.
- Email address:** Input field with placeholder 'e.g. jdoe@example.com'.
- Username:** Input field with placeholder 'e.g. jdoe' and a lock icon.
- Password:** Input field with placeholder 'Try to avoid simple passwords' and a strength indicator.
- Buttons:** A green 'Create account' button and a grey 'or cancel' link.

You'll then be logged in to your Course Area. From here you will be able to add the first module of our course: Editing and Proofreading: An Introduction.

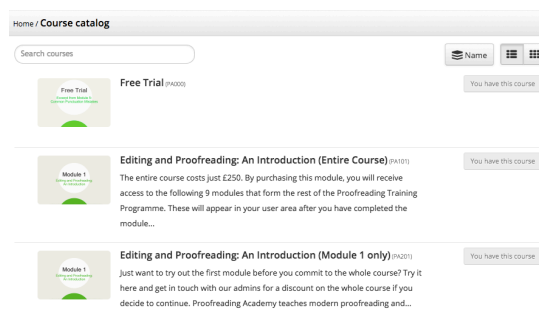

You don't have any courses at the moment

You can find and add courses from the Course Catalog

[Get your first course](#)

Select the module Editing and Proofreading: An Introduction (Entire Course):

The screenshot shows the 'Course catalog' page with the following elements:

- Header:** 'Home / Course catalog' and a search bar.
- Course List:**
  - Free Trial (PH020)** with a 'You have this course' button.
  - Editing and Proofreading: An Introduction (Entire Course) (PH101)** with a description: 'The entire course costs just £250. By purchasing this module, you will receive access to the following 9 modules that form the rest of the Proofreading Training Programme. These will appear in your user area after you have completed the module...' and a 'You have this course' button.
  - Editing and Proofreading: An Introduction (Module 1 only) (PH201)** with a description: 'Just want to try out the first module before you commit to the whole course? Try it here and get in touch with our admins for a discount on the whole course if you decide to continue. Proofreading Academy teaches modern proofreading and...' and a 'You have this course' button.

After this, you will be taken to PayPal to complete your payment. Once the payment has been processed, your course will appear in your Learning Area for you to begin. Once you have completed this module, the other modules will be automatically added to your user area at no further charge.
